

THE GOULANDRIS NATURAL HISTORY MUSEUM
GREEK BIOTOPE/WETLAND CENTRE

INVITATION

The Goulandris Natural History Museum-Greek Biotope/Wetland Centre, in collaboration with the Municipality of Doirani-Hellas, the Municipality of Dojran-FYROM and the Managing Authority of Lake Kerkini, have the pleasure to invite you at the training seminar titled

“Capacity building for the organization and operation of environmental infrastructures”

Wednesday, 24 October 2007, 12:00-14:30, Lake Doirani Museum
Thursday, 25 October 2007, 9:30-17:30, Information Centre of Lake Kerkini

The seminar aims to train competent officers in the transboundary region of Greece and FYROM, in order to strengthen the capacity building of environmental infrastructures at the region of Lake Doirani and improve their services.

The seminar is part of the project *“Development of interpretation infrastructures in Lake Doirani and increase capacity building of local communities”* implemented in the framework of Bilateral Development Aid Programme of the Hellenic Republic Ministry of Foreign Affairs, and to promote Lake Doirani as a destination of exceptional beauty and ecological interest.
