

PRESS RELEASE

Thessaloniki, 22/10/2007

The Goulandris Natural History Museum/Greek Biotope/Wetland Centre (EKBY), in collaboration with the Municipality of Dojran-FYROM the Municipality of Doirani-Hellas and the Managing Authority of Kerkini Lake, on the 24th and 25th of October, have organized a meeting and a training seminar as part of the project titled: *“Development of interpretation infrastructures in Lake Doirani and increase capacity building of local communities”*, implemented in the framework of Bilateral Development Aid Programme of the Hellenic Republic Ministry of Foreign Affairs.

The meeting titled: **“Promotion of the Lake Doirani”**, aims to highlight the outcome of the project, and to promote Lake Doirani as a destination of exceptional beauty and ecological interest. The meeting will be held on the 24th of October, from 10:00 to 12:00, at the hall of the Lake Doirani Museum.

The seminar bears the title: **“Capacity building for the organization and operation of environmental infrastructures”** and aims to train competent officers in the transboundary region of Greece and FYROM, in order to strengthen the capacity building of environmental infrastructures at the region of Lake Doirani and improve their services. The seminar will take place on the 24th of October, from 12:00 to 15:00, at the hall of Lake Doirani Museum and on the 25th of October, from 09:30 to 17:30, at Lake Kerkini Information Centre.
